OVERVIEW

Founded in 2007, Maranon is a registered investment advisor and manages committed capital on behalf of a broad cross section of high quality institutional investors. Prior to forming Maranon, our partners built and led the Chicago office of an alternative asset manager with approximately \$20.0 billion in managed assets, growing the office from four to twenty-three professionals and creating one of the most active and successful investment teams in the middle market.

Maranon's team of investment professionals is among the most experienced in the middle market. We have a dedicated focus on building our business on behalf of institutional investors in a manner that optimizes new business originations, taking advantage of our deep relationships and outstanding market reputation.

Maranon's principal investment objective is to generate superior risk-adjusted returns. Maranon understands private equity sponsors, management teams and how to structure transactions that are responsive to value creation strategies and capture superior returns. Maranon employs flexibility and creativity to originate new investment opportunities while seeking to minimize downside risk and protect principal by performing intensive credit research, negotiating strong creditors' rights, maintaining a diversified portfolio and actively managing all investments.
